Reception & Remembrances:

Following the service there will be a table set up with baked goods and water so guests can pay their respects and share memories together. There will also be a guestbook and pamphlets available with pictures of Bob over the years.

Memorial Website:

As many of you may know, we had a fire in our home and lost many photos and documents. As we come across awards and other remembrances of Bob's life and career we will add them to this living tribute of a life well lived. If you have any of your own pictures we will gladly add them to the website. You can send those items using the contact information below. The website can be viewed (and all of the pictures are downloadable) at: www.robertpotter.net
